04 FEB 1981

MEMORANDUM FOR: All ISB Auditors
FROM: C/ISB
SUBJECT: VYDEC Word Processor

1. We have just been notified by COMSEC that the VYDEC models 1200 and 1400 word processors have been taken off the approved list [REDACTED]

25X1

[REDACTED] COMSEC will work through OL/SS and OD&E/SS to get this information to contractors.

25X1

2. Please cover this specific item in each of your audits, effective immediately. If a contractor has either of these VYDEC processors, they are not to be used under any circumstances for processing of Agency classified material.

[REDACTED] 25X1
